REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicant's election with traverse of Group I, claims 1-11(in-part) and 12-34 in the reply filed on September 7, 2004 is acknowledged. The traversal is on the ground(s) that the search of the entire subject matter would not be unduly burdensome.

Thus, the restriction has been reconsidered and dropped.

All claims have been examined.

The prior art of record does not teach or fairly suggest the claimed compounds or their use. See for example USP 5,721,103 which teach compounds of the formula.

Note that R²/R³ do not form the necessary carbocyclic or oxygen containing heterocyclic ring to obtain the instantly claimed compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should

preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
